8th May 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of 28 No. dwellings, access, landscaping & associated works (resubmission following EG/42/18/OUT).

Boweries Barnham Road Eastergate

Thank you for your internet representation made on 7th May 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to planning permission application EG/22/19/OUT as the proposal for 28 homes further threatens the character of our village by adding even more houses, seemingly only because a developer has ventured to apply for planning on behalf of a householder. The new homes do not form a part of the approved Arun District Council plan and if built would surely add more pressure to the already busy Barnham Road, being so close to the turning for Church Lane and of course the proposed new roundabout as part of the A29 Realignment. This suggests the development is opportunistic rather than part of a wider, long term and sustainable plan for our community that delivers affordable, environmentally-sensitive, climate-smart homes.

I object.

Mrs Ann Molin.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
