Michael,  
Whilst undertaking some additional work I have noticed I have made a mistake within my reply to you on this site (attached).

The original application ref EG/42/18/OUT did not include access for consideration and as such in my response to this application I had again considered that it would be a reserved matter which is incorrect.

As such further information in the form of a stage 1 RSA should be provided.

Happy to discuss further.

Regards

Stephen
