I confirm that the new kitchen gully is to be connected into the existing main sewer system.

Dear Mrs Chapman

It was nice to meet you this morning.

I think I mentioned that my work is producing visuals for architects and property development companies (for planning or marketing), so I've attached some images I've put together over lunch.

We don't have specific details of the doors or skylight, so they are indicative only, but hopefully they will give you a good idea of what is intended.

As I said, we are effectively squaring off the rear of the building (like our neighbours at number 10), coming out 4m from the original garage wall in a single storey extension.

If you have any queries, please don't hesitate to contact me.

Kind regards

Jeff Coppard
