Hello

Thanks for getting these to me so fast. Those all look fine to me and ill update your description for you. However could you please add some dimensions from the proposed extensions to the site boundaries (Rear and 2x side) on the block plan. I'm happy to accept them as a note next to the block plan or as a actual dimension. Once received ill make it valid and get that uploaded for you straight away.

Kind Regards
Sian

Dear Sian

Further to your letter dated 15.01.2019. Please find attached the Proposed first floor plan and existing plans as requested.

The description for the application will be:-

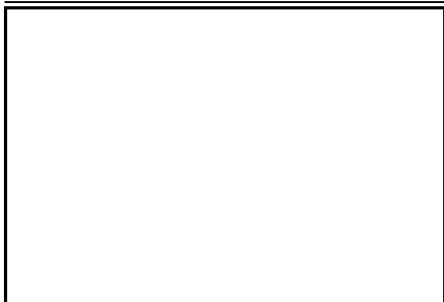

“ 2 storey and single storey rear extension with a garage conversion into a bedroom with en-suite”

I hope this is now sufficient detail to validate the application.

Kind regards

Tom West
