Hi Richard

Now received a readable layout plan from the consulting engineer. Enclosed for your records.

Comments;

1. For clarity, on the layout drawing, please specify the base level of the crates and top of crate level.
2. Again for clarity, show dimensions for the length and width of the soakaway.

I have copied in their engineer.

Comments;

Some numbers on the drainage layout drawing are difficult to read, due to the scanning process, so I need to see a copy of the original drawing before I can comment further.
