EH comments on above application are as follows:

Informatives

- i. The business is required to submit a Food Registration Form to Environmental Health 28 days before opening.
- ii. I noted on the application trading hours are from 11am – 11.30pm Monday –Saturday and Sunday and Bank Holidays 11am – 11pm. I would strongly suggest, so as to mitigate noise disturbance to neighbours and in line with dealing with other similar businesses e.g. Dog and Duck in Bognor Regis, that closing hours be at 9pm latest 10pm.
- iii. I noted on the application that there is a proposal of seating for patrons outside for up to 8 persons. I would strongly suggest that patrons drink within the premise so as to mitigate any noise nuisance to neighbouring properties particularly when patrons seated outside in the evenings.

Kind Regards
