Good afternoon Leeza,

Further to my phone message of today I would like to confirm we are minded to permit the change of use, subject to some restrictions.

The Councils' Environmental Health Officer from their comments of 15th August could not agree to the x8 outside seating arrangement due to the impact on the immediate amenity of neighbouring occupiers. In addition the hours of operation at the premises would need to be restricted to 10pm to limit the harm to occupants of nearby residential properties.

If you could amend plan 267/02 to omit the external seating and agree to an Extension of Time to Friday 5th October we can have a decision on it way.

Kind regards
