Turning to the amendments.

As described in my e-mail dated 12th June 2017, replied to by Simon Davis, and inviting this submission the minor variations are as follows.

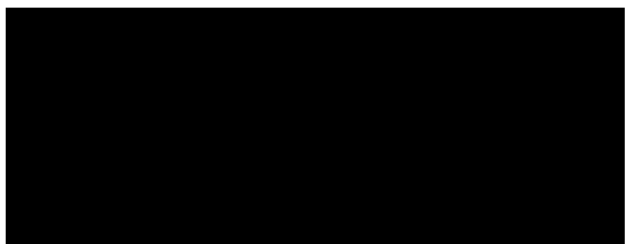

No. 97 Barnham Road The Rectory

Firstly, to reduce size of single storey side extension to south east elevation to leave a separation distance of one metre from the adjoining property. Refer to drawings, 1220/13/P/01D, 1220/13/P/04E, and 1220/13/P/06B.

Secondly, to add an additional window to the principal elevation at first floor level to serve a bathroom. The decorative roundel will be re-sited within the blank facade to the side extension. Refer to drawing, 1220/13/P/06B.

Should the allocated officer wish to discuss the alterations in more detail I would be happy to do so.

Yours faithfully
