Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for up to 30 No. dwellings & two vehicular access points. This application is a Departure from the Development Plan.
Land north of Spode Cottage & West of Greenings & South of Fontwell Cottages
Eastergate Lane Fontwell

Thank you for your internet representation made on 11th August 2017 which has been recorded as '**an objection**' with the comments as follows:

This is partial an objection, but also a couple of conditions I would request be put on any approval. I am responding in this way as I expect it to be pointless to just object to applications now that the lack of adequate supply has become a repeatable argument to defeat the objection to any speculative applications :

CONDITIONS

- the 3 storey buildings should be replaced with more appropriate 2 storey buildings that would be more in keeping with the area and less impactful/intrusive on neighbours.
- there is land adjacent to the site, to the East, which would be interested in development if access to the road could be provided across this site. Looking at the block plans, this appears easily accommodated, it is a reasonable condition as it would enable the access to be leveraged to better effect.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
