Good morning Richard,

Thanks for your email. I was unable to open the 2nd link for PE/ARU/17/28/A. I did manage to open the first application for 30 new homes.

I apologise that I did not notify planning.responses that we would not be seeking contributions towards this planning application when I was notified.

Due to pooling restrictions governed by CIL REG123 Sussex Police decided to focus on planning applications for over 100 dwellings at this time. We may be able to revisit this decision if there are changes to the CIL regulations or if special circumstances arise.

Thank you for the on-going support of Arun District Council towards Sussex Police. I'm sure the funds we have secured so far will be very helpful to support policing in the District.

Kind regards,

Andy Taylor

Importance: High

Dear Mr Taylor,

I am the planning officer dealing with the above application. In his response Mr P Edwards stated:-

"I would also ask you to note that Sussex Police is now exploring the impact of growth on the provision of policing infrastructure over the coming years and further comment on this application may be made by our Joint Commercial Planning Manager.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act."

Would you have any comment on the application regarding a potential contribution to police provision?

The application can be viewed at:-
