

Recommendation Report for Planning Permission

REF NO: EG/47/17/PL

LOCATION: Flat 29 Elm Dale
Elm Grove South
Barnham

PROPOSAL: Change 6 No. metal framed windows to PVCu on various elevations.

SITE AND SURROUNDINGS

DESCRIPTION OF APPLICATION

As above. The application concerns two windows on each of the north eastern, north western and south western elevations.

SITE AREA

46.8 square metres.

TOPOGRAPHY

Predominantly flat.

TREES

None affected by the proposed development.

BOUNDARY TREATMENT

N/A.

SITE CHARACTERISTICS

The flat in question is on the first (middle) floor of a three storey flatted building. Orange brick and grey hanging tiles. Mansard roof.

CHARACTER OF LOCALITY

The site is located within the built-up area on a road that is characterised by dwellings, including flats, of various designs and scales. Buildings are generally set back from the road, providing a sense of openness whilst the presence of mature landscaping helps to create a verdant and semi-rural environment.

RELEVANT SITE HISTORY

None.

REPRESENTATIONS

Representations received:

None received.

Comments on Representations received:

N/A.

CONSULTATIONS

Consultations responses received:

None.

Comments on Consultation responses:

N/A.

POLICY CONTEXT

Designation applicable to site: Within the Built Up Area Boundary.

		SD SP2 Built-Up Area Boundary
Barnham & Eastergate Neighbourhood Plan 2014		Quality of design
POLICY ES5		

PLANNING POLICY GUIDANCE

NPPF	National Planning Policy Framework
NPPG	National Planning Practice Guidance

POLICY COMMENTARY

The Development Plan consists of the Arun District Local Plan 2003, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

A new local plan is in preparation and is a material consideration when determining Planning Applications. At this stage the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and supporting documents were submitted for independent examination on 30 January 2015.

A number of Main Modifications to the Arun District Local Plan 2011-2031 (Publication Version) October 2014 were approved by the Council on 22nd March 2017 and consultation on these has taken place. The Main Modifications should be read alongside the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and where there are changes the Main Modification. The examination was completed in September 2017.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area. Whilst an NDP is under preparation it will afford little weight in the determination of planning applications. Its status will however gain more weight as a material consideration the closer it is towards it being made. Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation (Reg.14).

Made Plans in Arun District Council's Local Planning Authority Area are: Aldingbourne;

Angmering; Arundel; Barnham & Eastergate; Bersted; Bognor Regis; Clymping; East Preston; Felpham; Ferring; Kingston; Littlehampton; Rustington; Walberton; Yapton. The written Ministerial Statement of 13 December 2016 confirms that relevant policies for the supply of housing in Neighbourhood Plans should not be deemed to be out of date where all of the following circumstances arise;

- The NDP has been part of the development plan for 2 years or less or the ministerial statement is less than 2 years old
- The NDP allocates sites for housing
- The Council can demonstrate a three-year supply of deliverable housing sites

Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation (Reg.14). The relevant policies of the Barnham & Eastergate Neighbourhood Development Plan are considered within this report.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

The application concerns a flatted building within the built up area boundary. It is not considered that any of the adopted Local Plan policies are particularly relevant but Barnham & Eastergate Neighbourhood Plan forms part of the adopted Development Plan. Policy ES5 states that:

"All new development with the parishes should be of a high quality design, and will be expected to conform to the forthcoming Barnham and Eastergate Design Guide once it has been adopted as supplementary planning guidance in accordance with paragraph 1.41 of the Local Plan."

It is noted that the design guide has not yet been adopted.

Policy D DM4 of the emerging Local Plan is also relevant and is considered to hold significant weight in the determination of applications. It states that:

"When considering applications for extensions and alterations to existing buildings, the Council

will require that:-

- a. the extension or alteration sympathetically relates to and is visually integrated with, the existing building in siting, massing, design, form, scale and materials;
- b. the extension or alteration is visually subservient to the main building and provide a high standard of amenity;
- c. the extension or alteration does not have an adverse overshadowing, overlooking or overbearing effect on neighbouring properties;
- d. in streets characterised by relatively small gaps at first floor level between buildings, any extension or alteration at first floor level does not come to within a minimum of one metre of the side boundary and;
- e. the extension or alteration does not compromise the established spatial character and pattern of the place but is instead a positive addition.

The proposed new PVCu windows will replace existing windows and although there will be an effect on the appearance of the building, this is not an area designated as having a particular sense of character and there are existing examples of plastic windows on nearby residential dwellings. It is considered that the proposal is in accordance with development plan policies and it is recommended that the application be approved.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

1:1250 Buy A Plan Location Plan;
1:200 Buy a Plan Block Plan annotated to show window locations;
Existing Floor Plan (Not to Scale); and
Window Specification (Despatch Note) 02/08/17 by "Seven Day Worthing".

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

- 3 INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
