Reference application BN12/14

Conversion of existing agricultural buildings to form 1 No dwelling house (including a feed and equestrian store), 1 No holiday let and associated garage.

Dear Mr Davies,

Further to ADC's letter dated 11th March please find below my response to the points raised in relation to the Noise/Extraction Assessment

Further to conversations in relation to the discussions with ADC Environmental Health and yourself in relation to BN/11/14 & BN/12/14, I understand that this requirement is now deemed not necessary for this particular application – *therefore I request a requirement wavier for this point.*

I hope that this addresses the point requested.

Thanks

Kind Regards

Paul Voller
