Dear Anita

I write in reference to your enquiry sent to my agent, Steve Hunting, with regards to the above.

The drawing is an indicative cross section but not to scale.

Note 5 draws attention to detail 3 on the drawing which is clean crushed hardcore to a depth of 400mm.

Note 6 refers to item 2 on the drawing which is a top surface of MOT type 1 rolled to 200mm thick.

Note 7 states that the width of the road will be 3.25 metres.

Note 8; States that a 6" timber edge will be installed along the whole road.

I hope this clarifies things. If not perhaps it would be convenient to speak on the phone?

Regards

Peter Hake

Dea4r Mr Hunting,

I have received the above application which contains a plan with very little detail. I would appreciate clarification as to whether it is a cross section or floor plan, together with the scale and where nos 5-8 (referred to in the Notes) are located.

Regards

Anita Gardner
