Peter,

Thanks for sending through the revision/additional information. I can confirm that it satisfies my requirements and I have no objection to the discharge.

Kind regards,

Dominic

Think sustainably. Do you have to print? Can you double side? Do you need colour?

Subject RE: EG/53/13/DOC

Hi Dominic

With regard to the emails below – I had meant to send you the Construction Method Statement which includes provision of a road sweeper and also the document which includes Appendix A. Please find the revised document attached.

Please could you let me know whether or not you would now be able to recommend the discharge of condition 25 of the approval?

Kind regards
Peter

Hi Dominic

Thank you for your email below, I will look to get the amendment made and find a copy of Appendix A for you.

I will hopefully be in touch shortly.

Kind regards
Peter

Good evening Peter,

Apologies for emailing from a personal address but I don't have access to my work account at the moment. I would appreciate it if you could prevent the address being shown on the website.

Generally satisfied with the details provided to discharge condition 25; however, the plan referenced in the 'Construction Method Statement' that is provided in 'Appendix A' doesn't appear to be there. I would like the opportunity to review the plan before the condition is discharged.

Aside from that, I have no objection to the discharge of the condition but would suggest that the Applicant makes provision for a road sweeper to be on call if required should the wheel cleaning not be successful in preventing mud being deposited on the road.

Kind regards,

Dominic[attachment "Construction Method Statement - Rev 2-0.pdf" deleted by Dominic Smith/SU/WSCC]
