Dear Charlotte,

The works were completed months ago and the reason we are applying for planning permission is for the side bifold doors as they are wider than were shown on the previous approved plans. The enforcement officer came out after a complaint from a neighbour that things hadn't been built as per the approved plans so we need planning permission for just the wider side bifold doors.

Kind regards
Paul

Dear Mr Quantrill,

I write to you regarding application EG/53/17/HH (41 Downview Road). Could you please confirm if the proposed works are being connected to the existing mains drainage system, if they are not then we will require a full drainage environmental assessment.

Many Thanks

Charlotte
