Good morning Rosemarie,

Many thanks for your email and apologies for not getting back to you until now. I was on leave when your correspondence came in and it also went to my Junk email folder so was not picked up. We will look at the documents this morning and submit the required information ASAP. However, the noise assessment will have to be carried out by a 3rd party which we are in the process of arranging, but is out of our control and is very unlikely to be prepared and submitted to you within the 7 day timescale. I hope this is acceptable.

Kind regards

Steve Croucher

Dear Justin,

I am aware that two applications have been submitted in July but there are outstanding items that mean that they are not yet valid.

Are you able to submit the necessary detail within the next seven days please?

Thank you,

Rose Dannatt
