Hi Jonathan,

Yes it does need to go to Cttee. Previously the Parish Council objected on the basis of: *"The council supports the provision of improved facilities for parishioners but wishes to express concern as to the possible loss of the Pharmacy in Barnham village centre. Closure of that pharmacy will lead to considerable inconvenience to elderly residents as well as mothers with children. The council asks that the Barnham pharmacy be protected through planning conditions or agreements."*

The next available meeting is the 26 April for which the agenda close is the 7th April. I consider that all being well with consultation responses, we should be able to meet that deadline.

Please confirm agreement to an Extension of Time until the 28th April.

Kind Regards

Thanks Simon. Copy attached. Is that everything?

Does the application need to go to committee?
