Hi Jonathan.

Yes I would be happy to recommend approval subject to the Tree Officer being happy with the revised plans (and report).

Simon

Can you just confirm first that, subject to the Tree Officer being happy with the revised plans (and report) that you now have everything to recommend the application for approval?

Hi Jonathan,

I could not get it on the April agenda.

However, taking it to the May Committee means I will be writing it up with the benefit of the additional updated plans you said you are going to send and with the benefit of Tree Officer comments on the proposed amended drawings.

Can you therefore agree to an Extension of Time until 26th May.

Kind Regards
