Dear Duan,

Thank you for your email.

Apologies, the reference shown on the application is the Building Notice Application.  
The address of this property is 59 Elm Grove, Barnham and the planing application number is:  
EG/25/18/HH

I hope this clarifies the situation.

Kind regards

Debbie Tunmore.

Mr Tunmore,

I have started to work on the validation of the above and have noticed that the reference number to which this application relates is EG/45/18/BN (according to application form).

As far as I am aware, condition 3 of EG/41/17/PL relates to surface water drainage and that condition is already being discharged under EG/10/18/DOC.

Are you trying to discharge condition 3 again or is this additional information to go with the current DOC application, EG/10/18/DOC? Could this be for a Plot number (1, 2, 3 or A, B, C)?

Thank you for your help in this situation.

Mrs Johnson
