Dear Mr Wild,

I am currently writing up your application EG/63/18/HH at 40 Elm Grove, Barnham.

I note the consultation from Drainage requests that a condition is applied which provides details on surface water drainage.

As it is a pre commencement condition, the authority has to gain written agreement from you in order to impose the condition. I attach a letter which states the condition to be included and legislation which applies.

I apologise for notifying you of the condition at a late stage as I am aware the application is due to expire soon.

Please let me know if you agree to this condition.

Thank you
Amber Willard
