Notes

- N.B.** This form of application is used where the previous permission was subject to a condition imposed by Section 91 or 92 of the Town and Country Planning Act 1990, limiting the period within which the development can be commenced. It cannot be used for a renewal of a permission where the permission itself is temporary, whether it is used or not.
1. While this application may be in a simplified form it is nevertheless an application for planning permission and as such must be accompanied by the appropriate **certificates** under Article 7 of the GDPO.
 2. **Certificates under Article 7 of the GDPO.** Applications for special kinds of development cannot be accepted unless accompanied by a certificate that the applicant has published an advertisement in the local paper and displayed a notice on the site. The kind of development to which the section applies are set out in the current Town and Country Planning General Development Order, and the forms of notices and certificates are prescribed in the schedule to the Order. If you are in any doubt, please consult the Planning Department.
 3. **Certificate under Article 7 of the GDPO.** The local planning authority cannot accept an application for planning permission unless it is accompanied by one of these certificates. If you are the owner of the application site or have a tenancy of seven years or more remaining, Certificate A, which is printed below, is appropriate. If you are not, you will have to give notice to the other owners and complete certificate B. If any of the land to which the application relates constitutes or forms part of an agricultural holding, you will also have to give notice to any agricultural tenant, and certify accordingly. These notices and certificates can be obtained from the Planning Department.
 4. **N.B.** Although **plans** cannot be insisted upon, it would assist the processing of the application and reduce delays in carrying out consultation if 6 copies of the previously approved plans were submitted. Applications are asked for their co-operation in this matter.
 5. **Fees.** By Regulation made under the Local Government, Planning and Land Act 1980 a fee has to be paid to the Council when certain applications are submitted, and those applications cannot be determined until the proper fee is received. A separate guidance sheet gives more details of the fees and of those applications affected.
 6. **Design and Access Statements.** From the 10 August 2006 you are required to provide 6 copies of Design and Access Statements with all planning applications except:
 - Householder Applications (unless part of the dwelling houses or its curtilage is within a Conservation Area, an Area of Outstanding Natural Beauty (AONB) or a Site of Special Scientific Interest (SSSI)).
 - Change of Use applications unless it involves operational development, e.g. building, engineering, mining or other operations in, on, or under the land.
