Dear Sirs,

Application for non-material amendment following a grant of permission relating to Planning Consent EG/38/15/PL at 97 Barnham Road Eastergate West Sussex PO22 0EQ

Further to recent correspondence with Simon Davis I am writing to seek approval for non-material amendments relating to consent, EG/38/15/PL.

The application consists of;

Your application form

Drawings as approved following previous NMA;

Location & Site Layout Plans 1220/13/P/O1D

Proposed Plans and Elevations 1220/13/P/O6B

Drawings as amended;

Location & Site Layout Plans 1220/13/P/O1E

Proposed Plans and Elevations 1220/13/P/O6C

The planning fee, £195.00 has been paid on-line.

Turning to the amendment.

As described in my e-mail dated 18th August 2017, replied to by Simon Davis, and inviting this submission the minor variation is as follows.

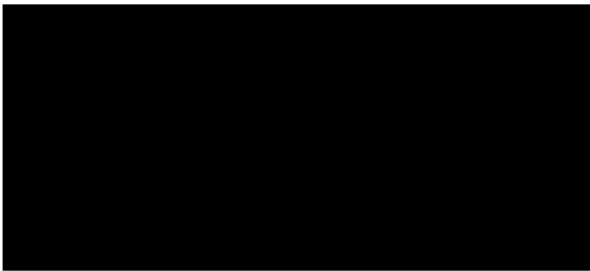

No. 97 Barnham Road The Rectory

To replace the approved part pitch, part flat roof with flat roof and lantern. Refer to drawings, 1220/13/P/O1E, and 1220/13/P/O6C.

In our opinion this would create a subservient extension reinforcing the profile of the original Rectory.

Should the allocated officer wish to discuss the alterations in more detail I would be happy to do so.

Yours faithfully

Gerald Moore
