Hi Simon

I am happy to agree an extension of time until next Thursday. Hopefully it will be approved then as the applicants are under pressure to build the R & D unit this spring and have lots of research work waiting, which is very exciting for them.

Regards

Liz

Dear Liz,

I am sorry but was not able to have the report finished in time for any decision to be issued yesterday. However, I have managed to finish it this morning. My Team Leader, Daniel Vick is currently taking leave and is back on Tuesday next week and so he should be able to review the report then or on the Wednesday. Could I therefore request a further Extension of Time until next Thursday 29th March.

Kind Regards
