Hi Simon

Happy to agree an extension of time until the 20th. I was thinking of it today and was about to write a brief report setting out why it should be approved and how it complies with policuy. I dont need to now.

Thank you.

Regards

Liz

Hi Liz,

Neil has now agreed the principle of the development but I was requested to make several changes to my report to simplify the principle section. This means that Dan needs to re-read the report. He has asked if we could get a new Extension of Time until the end of the week as it is Committee this week and his calendar is also full up with numerous meetings. It may well be the case that he reviews the report well before the 20th but it would nonetheless be helpful if you can agree an EoT until then.

Kind Regards
