Dear Mrs Johnson,

Many thanks for your email and my apologies for the late reply. I have been working away without access to the internet.!

The extension is to be a dining area and, as such, will not need connection to to the main foul water drainage .

The rain water from the extension will go to a soakaway at the rear of the property.

I hope this answers your query.

Many thanks
John Howard

Mr Howard,

Is there anything in the extension which needs plumbing? Where is the surface water from the extension going to?

Thank you,
Mrs Johnson

Mr Howard,

Everything looks great now and the application is valid.

Can you please let me know if you are intending to connect to the mains or not?

I think you provided the information earlier, but I can't find the information.

Thank you,
Mrs Johnson

Dear Mrs Johnson

Many thanks for your email.

I have attached a revised block plan with a scale of 1:500 which I hope is now correct for the planning application.

With Kind Regards

John Howard
