Dear Mr Howard

I am currently writing up your application EG/69/18/HH at 86 Elm Grove.

I note the consultation from Drainage requests that a condition is applied which provides details on surface water drainage.

As it is a pre commencement condition, the authority has to have written agreement from yourself before adding the condition. I attach a letter which states the condition to be included and legislation which applies.

Please let me know if you agree to this condition.

Thank you

Amber Willard
