Hi Stuart – Thanks for copying me in.

Garry is probably tied up with work. To expedite matters I've checked back over our parish council minutes and we agreed that we had no objection at our 1<sup>st</sup> November 2018 meeting. Minute reads:

“Members considered the following applications being EG/66/18/HH, EG/65/18/HH, EG/70/18/HH, EG/72/18/HH, EG/71/18/T and AL/15/17/PL. Members considered that no objection was necessary in relation to the first four of these applications”.

Good Afternoon Nicola & Emma,

We cannot apologise enough for the length of time it has taken to deal with your application to date.

The officers and Neil Crowther have now reviewed the application and the design and the potential impact to neighbouring occupiers. Subject to the Parish council comments the officers are in agreement to support the application.

The officers are currently awaiting a dialogue with Eastergate Parish clerk in order to understand how they view the application. This will determine how this shall progress to a formal decision.

Please be assured that the officers are now in pursuit of a response from the parish in order for the officer to reach their conclusions.

Kind regards

Thank you Stuart, I appreciate you coming back to me.

Our architect Emma Pinder emailed Neil Crowther about this application last week (28 January) and would be happy to discuss it with you or him if it would be helpful. I have copied her in to this email.

As I mentioned to you on the phone when we spoke week, we showed our neighbour [REDACTED] (at number 25) the plans before they were submitted, and she told us she is happy with what we are hoping to do.

We look forward to hearing from you as soon as possible please.

With kind regards

Nicola Hollingworth

Nicola,

I apologise not getting back to you sooner!

Thank you for your email. It is often the case when an application is passed from one officer to another a certain level of assessment has already been started and for the Officers to communicate clearly what the outcome of the assessment could be.

In this particular case it has been discussed with Daniel Vick (team leader) and was concluded that it was a large extension which could have a detrimental impact on the neighbouring properties. However the officers will need to make a balanced decision thus it now needed to be run by with the head of Planning Neil Crowther for his final decision.

I will be in touch shortly so we can then move forward and I can try and guide you through the options available to us.

Kind regards

Dear Stuart

I write further to our conversation yesterday. I have just tried calling you, but I understand from Juan that you are not in the office this afternoon. Juan said that you might be picking up emails and he asked me to copy him in on my email to you.

Is there any news on our application at all please? I have copied in our architect Emma Pinder so that you have her details in case there is anything you would like to discuss with her.

With kind regards

Nicola Hollingworth
