Dear Mrs Wallsgrove,

Thank you for the email.

I saw a building to the front of Woodfield farm today, it seems this can be constructed without formal planning permission.

I will send these emails as representations to be scanned.

Richard Temple | Senior Planning Officer, Directorate of Place, Arun District Council | Location: First Floor, Arun Civic Centre, Maltravers Road, Littlehampton, BN17 5LF

Dear Mr Temple,

As I understand the reason they were granted Planning permission for the poly tunnel, is that they were relocating the business from Chidham to Eastergate, as Chidham has been sold for houses?

This is a farm, and it states that if this were to cease as a farm, the barns must be taken down, within 3 months, as per previous Planning.

Also, the summer house that can be seen, has solid walls and a solid roof hardly a summer house with a normal size door at the back of it, this clearly is a breach of Planning?

These vehicles are far too wide to access the drive between two houses and a granny annexe.

Wandleys Lane is single track and has a 7.5 ton weight limit, it is not wide enough to fit two cars side by side, so if these vehicles were to be driven or taken on a low loader, residents will not be able to access their properties.

I would please ask that the above points will be looked at by ADC urgently.

Please will you load this reply onto ocella web.

Kind regards,

Mrs S Wallsgrove.

Dear Mrs Wallsgrove,

Thank you for the emails. We are aware of the Hughes' Movie Supplies business, these vehicles, we think are stored at their premises in Chidham and will be contacting the agent of the application to establish if there are to be stored at Woodfield Farm for business use or merely as a private collection.

Shall I upload these two emails as your first representations?
