17th October 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of barn to storage (B8 Storage or Distribution).
Woodfield Farm Wandleys Lane Eastergate

Thank you for your internet representation made on 16th October 2017 which has been recorded as '**support**' with the comments as follows:

In response to Mrs Wallsgroves unsubstantiated claims,

Point 1 , Irrelevant,

Point 2, very good but incorrect, Its only the open sided barn that has this clause, Also the larger barn has been used by the woods family for in excess of 10 yrs for the storage of sentimental memorabilia, hence the retrospective application,

Point 3, Work has temporarily ceased on the summer house due to very nosey neighbours jumping to all the wrong conclusions and making rubbish up, It will have windows etc when completed,

Point 4, What vehicles ?? There are NO vehicles belonging to Hughes Movie Supplies at wood field farm, HMS is run by me from an industrial site Nr chichester, and has been there for 6 yrs, My father retired from filming in 2001, he has a small collection of vintage military equipment, and would like to quietly play with it in his shed, Quite what any of the above has to do with Mrs walls grove who i am led to believe lives nowhere near Wandleys Lane anyway,Im not sure.

Regarding the "Granny Annexe" this actually appears to be built illegally in the "Right of way" to the farm,

Ps, thanks for advertising my company and pointing out our vehicles going to and from film sets etc,

regards Ian Hughes,

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most

are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
