Plan-020185
Dated 02/11/2017

Proposal: Change of Use of Barn, (B8 Storage) At the above address.

The proposal is not a Development, merely a change of use. From Cattle to Storage, Farm equipment and my Hobby collection.

The only works will be the completion of the repairs to the box profile Door cladding. And general maintenance

There are; only two people living in the house, completed in the 1990's

We have our own private Clargester #system which works well.

I trust that this arrangement is satisfactory.

Best Regards, Clive Hughes
