Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of barn to storage (B8 Storage or Distribution).

Woodfield Farm Wandleys Lane Eastergate

Thank you for your internet representation made on 14th November 2017 which has been recorded as '**support**' with the comments as follows:

*Point No 1,
In response to Wendy Webb's comments,
I don't have an "HMS vehicle" but my personal car does have an HMS No plate, Quite why
I'm not supposed to visit my elderly parents Farm house in my own car i don't know ??*

*Point No 2,
My fathers collection of "Military staff cars" are mainly WW2 Humbers, (british cars from
the 1940's),
Not AM General Humvees / Hummers which incidentally weigh 2.7 tons and fit into the
"PLG" tax class, I have some of these on my "Film Fleet" But they are not at woodfield
farm and haven't been there either,*

*Point No3,
Our little blue Mercedes is only a 7,5 ton truck ,
Its far more likely that your 18 ton skip lorry broke your water pipe,*

*Point No4,
Am i to understand it correctly. That if my parents paid you the extortionate £ 150,000
that you have decided you want for the shared driveway that this campaign of
"misinformation" and persistent objections would cease ?*

*Point No5,
Just to repeat because I'm not convinced anybody is listening, HMS is not run from
Woodfield farm, And WONT be,
My father is very happy to have a private storage clause imposed, As he is now 78 yrs old
he just wants to quietly keep his collection in his barn and hopefully take one of his vintage
staff cars to the odd show through the summer,*

*Point No 6,
Hopefully theres a copy of the Land registry ROW attached, Carefull reading of it should
clear up a few confusions,*

*Point No 7,
Hopefully theres also a piccy of one of dads beloved Humber staff cars also attached,
Showing the scary size of it*

regards Ian Hughes,

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
