Dear Mr Wild,

I am currently writing up your application EG/77/18/HH at 40 Elm Grove, Barnham.

I have just received consultation from drainage in which they requests a condition is applied which provides details on surface water drainage.

As it is a pre commencement condition, the authority has to have written agreement from yourself before adding the condition. I attach a letter which states the condition to be included and legislation which applies.

Please let me know if you agree to this condition.

Thank you
Amber Willard
