To Mr Denton

Dear Sir

Planning application your ref EG/86/17/T Trees TPO 170

Unfortunately your planning application is incorrect on the following grounds:-

- 1 There are no trees on the property at 131 Farnhurst Road
- 2 The trees are on the property of 133 Farnhurst Road
- 3 There are three trees at 133
- 4 Mr David Barnes which you state you state lives at 129 Farnhurst Road in the application as being the owner, lives at 133 Farnhurst not 129

I am the Landlord /Owner of 133 Farnhurst Road.

Which trees are you referring to as I have not been notified of tree felling. I have given my permission to Mr Ben Horsman of 131 to trim the tree at the Southern end of a group of three. I have written (confirmed in writing and copied in Arun District council on the 1-10-2017 that Mr B Horsman can trim the trees if he wishes and remove the large bough branch that overhangs his property if he wishes to subject to Arun approval at his expense. Not touching any of the other two on the north side. I have not given my permission as to tree felling. Just trimming.

Although the planning application is in error. It is unclear as to which trees & what is planned either. Can you please specify.

Can you please provide Mr Gary Sleets telephone number of East Parish Council. Please do not reveal my personal details on line I have enough trouble with this neighbour as it is.

Your sincerely
Mr D.R.Barnes
