Redevelopment of 59 Elm Grove EG/98/14/PL

Dear SIR

I am opposed to this development on the following grounds.

1

The development does not conform to the Barnham and Eastergate local plan ,in which the government has encouraged the local to take part in and vote for.

2

The local public sewer system is unable to cope now without more added to it.I am at this time still in talks with Southern Water over the deterioration of the service in the last five years in Elm Grove ,I would estimate my neighbours and I have had 150 or more days without or limited waste disposal service in this time. Already in January this year the sewers in the road filled up with sewage and it took a tanker four days to pump it out.

Yours Faithfully

Mr.T Booker
