Strathyre
54 Elm Grove
Barnham
Bognor Regis
PO22 0HJ

Dear Sirs, with regard to the application for development at 59 Elm Grove, Barnham, Ref EG/98/14/PL, I wish to object to this for the following reasons.

- 1 Development is in a known flood zone area.
- 2 The local public sewer system is unable to cope now without adding more to it.
- 3 This development does not conform to the Barnham and Eastergate local plan.
- 4 If this development goes ahead then floods of other developments on the North side of this road would follow.
- 5 This north side has a ditch which drains the land backing on to farm land.

We have lived here at number 54 for 33 years and have knowledge of all the problems that have happened over the years with drainage.

Please do not allow this development to be allowed.

Mr and Mrs Mackinnon Strathyre, 54 Elm Grove. Barnham.
