17th July 2018

Dear Mr & Mrs Kevin Burke

Development:

We would like to build a conservatory of 4 meters by 3.5 meters as our house has no dining area. The conservatory will not overlook any other housing and will be one storey contained within our garden. Neighbours in an adjacent close also backing onto Langmeads Fields as we do already have conservatories in place. Our management company have provided us with written consent to proceed. Our proposal is usually considered permitted development but we understand that initial planning permission had a condition applied which stated that any permitted development needed to go through a formal planning application process.

Location:

6 Langmeads Close East Preston
