Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Loft conversion of existing building.
The Dolphins (east) South Strand EAST PRESTON

Thank you for your internet comments made on 31st August 2017 which has been recorded as 'an objection' with the comments as follows:

This council's Planning & Licensing Committee considered this Application at its meeting on Monday, 14th August. The applicant was made aware of the meeting and his right to attend.

The council agreed to object to this Application as it is contrary to the made East Preston Neighbourhood Plan (Policy 2: Design in Character Area One) as it does not protect the view from the beach. The proposed south elevation will be a major modernisation on the existing property.

Furthermore, the council objects to this Application as it believes the proposal is unsympathetic to this c1911 property, will compromise the look of this building and will result in an unbalanced property very much of two halves. This is contrary to Policy 1: Housing General Principles as the proposed alterations are not deemed to reflect or enhance the architectural and historic character and scale of the surrounding buildings in this case Dolphins (West).

For these reasons this council asks Arun District Council to consider seriously refusal of Planning Permission for this proposal.

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
