Subject: RE: EP/109/19/PL - Variation of condition 2 - Amended Plans reducing footprint and massing

Good morning Anita,

No problem – I've attached a quick drawing showing the comparison between the building footprints and massing in regards to the northern elevation – hope this helps to clarify the changes to the scheme.

I can also confirm acceptance of the extension of time request to 22.11.19.

Kind Regards

Euan

Dear Euan,

I am starting to look at the above application in detail. It is not easy to outline the differences in footprint and massing referred to in the description.

In order to clarify the changes please can you provide comparative elevations and block plan to illustrate the differences between the approved plans EP/121/17/PL and the above application. I appreciate that this may take a

week to provide and that the plans will then need to be processed so I would appreciate your agreement to an extension of time on the application until 22-11-2019 to cover this period.

Regards

Anita Gardner
