Dear Mrs Gardner,

I would like to support this application on the grounds that the objections raised in the last application have largely been addressed.

- The area around the properties has been increased -This will ease any previous concerns with overdevelopment.
- The introduction of an additional 2 Car Parking spaces – This will ease the number of parked vehicles on the Highway.
- The construction of 2 new dwellings on a waste parcel of land will contribute to the Housing shortage that we are facing.

I will leave you will upload my support letter & its content.

Kind regards

Sean Drew
