Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/10/21/PL
Site Address: 4 Beechlands Close & east of 18 Beechlands Court Montpelier Road, East Preston
BN16 1JZ
Description of works: Demolition of an existing garage & erection of 2 No. 2 bed dwellings (resubmission following EP/115/20/PL). This site is in CIL Zone 4 and is CIL Liable as dwellings.

Thank you for your internet representation made on 28th February 2021 which has been recorded as an objection with the comments as follows:

OWPC34127

This application is an overdevelopment of a very small site.
The appearance of the proposed two houses does not conform to the existing buildings in the vicinity.
A garden and parking space will be completely lost for one flat having a negative impact on the open aspect of the neighbourhood in Beechlands Court.
The on street parking here is already full to capacity. The creation of a new crossover would reduce the spaces and cause more congestion. Emergency vehicles, refuse collectors etc. need access in this already narrow road.
More development would increase the burden on the drains and sewer system.
There would be a negative impact on nature and wildlife in the immediate area. The destruction of hedgehogs' habitat would have far reaching adverse effects.
I hope you will consider my comments when making your decision.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
