Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/10/21/PL
Site Address: 4 Beechlands Close & east of 18 Beechlands Court Montpelier Road, East Preston BN16 1JZ
Description of works: Demolition of an existing garage & erection of 2 No. 2 bed dwellings (resubmission following EP/115/20/PL). This site is in CIL Zone 4 and is CIL Liable as dwellings.

Thank you for your internet representation made on 4th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34275

I am the owner of Flat 9 Beechlands Court which is situated directly opposite the proposed development and is a ground floor garden flat.

My main objections to the development are:

- 1) The current application has not addressed the objections raised against the previous application EP/115/20/PL
- 2) This would be an over development of this site, with the properties squeezed into a small green area.
- 3) Potential drainage issues both surface and mains. We have previously had blocked drains which also overflow during heavy rain.
- 4) Loss of street parking which is already an over crowded area with all car spaces in the area full and problems with vehicles turning around in the cul de sac and trying to manoeuvre in the narrow road. There really is no room for any additional car parking.
- 5) The plans do not fully reflect the position of the flats directly opposite to this site and how near they will be and overlooking residents bedrooms and gardens, where they will lose privacy and light as well as the current green open space.
- 6) Where will residents park whilst the building works are undertaken and how will the lorries manoeuvre in the road?? Some of the residents are elderly and unable to park in streets away and carry their shopping etc.

Your views as made above will be considered before the application is determined.
