Dear Mr Denton,

As there is little to be gained from opposing your request, an extension is agreed.

Best regards

KAB

Dear Mr Booth,

I apologise for a second request, but would you be agreeable to an Extension of Time until the 6th of December? This is due to staff absences.

Kind regards,

Z Denton

Dear Mr Denton,

An extension to 29th November is no problem for us.

In fact, the time frame does not in itself concern us but what has worried us is the possibility during any delay of further interventions by our neighbours which may influence any decision. Hopefully Mr Baeza informed you of the situation with our neighbours, which is the cause of some anxiety to us, during his handover of the case. This has been the only reason for seeking an update.

Best regards

Dear Mr Denton,

I note from monitoring the planning website that from 9th November you have been assigned as the case officer for the above application. From our contact with the council we realise that there is a significant backlog in planning decisions however the original date for decision was 23 October 2019 and it is now four weeks' overdue. There has been nothing added on the Arun DC web-site since 3rd October and we have not personally received any communication from anyone regarding this application.

We have tried to contact you by telephone but until today had not left any messages, a simple indication of expected time frame for a decision is all that is requested.

Best regards,

KAB
