[redacted]

ARUN DISTRICT COUNCIL
16 MAY 2013
RECEIVED

15th May 2013

Dear Sir

Re Planning Application EP/111/12

I wish to register my objection to the above application on the following grounds:-

- Further development that will decrease the natural absorption of rain and flood water, particularly in the area of Sea Lane will clearly be against the interest of current residents.
- Access to Sea Lane will be difficult and parking on site is insufficient to accommodate construction activity.

Yours faithfully

[redacted]

M.R.Burgess
