Dear Sirs

Status of Angmering Lane, East Preston, West Sussex

I am advising the owner of No 50 Angmering Lane, East Preston, West Sussex, which fronts the east side of the road immediately opposite its junction with West Meads.

An issue has arisen as to whether Angmering Lane is a "highway maintainable at the public expense" as defined in the Highways Act and, as the relevant highway authority, I should appreciate receiving your authoritative decision on that specific point.

The favour of your early reply would be appreciated.

Yours faithfully,

David Robinson
