Yes, we will agree to this, but I have to say that I am very disappointed at the length of time taken to determine this application.

Dear Mr Murray

I am dealing with the above application, due to unforeseen circumstances this application was reallocated to me recently. This has meant that the site notice was not displayed until 11 September and needs to be in place for 3 weeks. The consultation period will therefore end on October 2. We cannot therefore determine the application until this period has lapsed, would your clients be willing to agree an extension of time until 6 October 2017 to determine this application.

Thank you and I look forward to hearing from you in due course.

Regards

Mark Jones
