Dear sirs

Re Montpellier road / Beechlands close

I am objecting to the above planning application Montpellier road is a small cul de sac Parking is a nightmare at the best of times the same in Beechlands close.

School children use this as a cut through.

Also if permission is granted you will not be able to get lorries etc in Montpellier road it's not big enough! This will cause the resistance a lot of hassle !

As where I live at number 2 I have to drive round the back and the road to get there is opposite where the planning application is !

Utter madness
Please do not allow this
Thank you
