Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application for certificate of lawfulness for proposed works - replacement of existing thatched roof with clay tiles & replacement of 2no. existing bay windows
29 Tamarisk Way East Preston

Thank you for your internet representation made on 24th September 2019 which has been recorded as '**an objection**' with the comments as follows:

I am commenting on behalf of the East Preston and Kingston Preservation Society.

Tis house is on Arun's Local List of Buildings of Character. Policy HER DM2 of the Arun Local Plan states that proposals for alterations to buildings on the Local List are expected to respect their architectural interest. The Local Planning Authority will seek to preserve features of such buildings which contribute to that interest.

The architectural interest of this house largely results from its thatched roof. The removal of this roof will therefore greatly reduce its architectural interest, and would be directly contrary to Policy HER DM2.

This application should therefore be refused.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website

and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
