Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Demolition of garage and erection of new rear extension.
1 Normandy Lane East Preston

Thank you for your internet comments made on 15th November 2011 and recorded as follows:

The Planning Committee of this council discussed this Application at its meeting on Monday, 14th November.

The committee was concerned that in the Proposed Floor / Roof Plan on drawing Dwg001, the proposed extension goes over the northern boundary, as indeed the garage does on the Existing Floor / Roof Plan.

Assuming that this can be addressed in some way by the Planning Officer, the committee wished to raise no objections against this Application.

Thanks

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
