Hi Juan,

Don't we all. I'm not asking Anita to provide comments now as it's been determined. WSCC had asked Arun DC/Anita prior to its determination. No reply was received.

I commented that "I believe it should remain on the planning register", which you hold. Up to you if you want to remove it.

Regards, Sam

Dear Sam

Anita has a heavy caseload of pressing cases and having to deal with this one would use up a valuable amount of her time for no reason really. County have made a decision and there seems little point in having this Council's view where it will have no consequence at all.

If we don't hear otherwise we will be withdrawing this application.

Hi Anita,

It has been determined, on 20/09/18. I did email to get a response from you/Arun DC. Had an 'invalid application' email from your admin team too when we first sent you it in early August.

I believe it should remain on the planning register.

Dear Mr Dumbrell,

I have noted that County have already made a decision on this application. It is assumed that the comments of the Local Planning Authority are no longer required and I would therefore be grateful for written confirmation that the application can be withdrawn.

Regards

Anita Gardner
