Hi Daun,

Thanks for coming back to me. If I send the revised form and drawing today will it be added without extending the expiration date?

Thanks

Lauren

Lauren,

We can do this, however, we do need a new application form to reflect everything you want to have included on the application and new drawings to reflect the addition of the changed tiles.

Keep in mind that the file expires on 10th September...

Thanks,
Daun

Hi Daun

Further to our telephone conversation I wondered if the change of the proposed roof tile could be included in the current NMA application.

The approval states that the roof tiles will be a Marley smooth grey, my client would like to instead use Redland concrete plain tile in charcoal grey 266 x 165 mm.

Kind Regards

Lauren Willard
